
Title: The Principal Courage

Author: Eleisa Blackstar

Keep : Serpent's Hold

Use a facet stone to
cross from Trammel
to Felucca.

(Or you may use a
public moongate to
accomplish this feat.)

Our principles were
grounded in tradition,
and in the name of
tradition, the

remainder of your
test will take place in
the historical home of
Clan Moor, Felucca.

Once you've crossed
over, travel how you
choose to Serpent's
Hold and ask someone
to accompany you as
you slay at least 10
Giant Serpents and 10
Alligators. (You may
substitute one Silver
Serpent for these 20
beasts, if one is to be
found on the island at
the time of your test.

Or you may
search the land
beyond Serpent's
Hold to find one.

You may take Moors
to help you if you
choose to kill a silver
serpent and can't find
people in Serp's Hold
to help you.

Document the story of
your experience.
